### *Benefits, HR, and Payroll You'll Love!*

The CAMA Back Office team provides services and products that save you time and help you retain your top employees, as well as recruit future employees. Services and products include a comprehensive benefits brokerage, payroll processing, benefits administration, a local team of experts working on your behalf, recruiting and applicant tracking assistance, and decreased liability due to compliant systems. Many businesses save the equivalent of .5 – 2 full-time HR employees depending on the size of the company.

#### **LOWER COST**

Significantly reduce your current benefit and management costs! CAMA's Back Office team has helped our members find an average of 20% savings on healthcare costs. CAMA Members also receive a 10% discount off HR and payroll services.

*"CAMA's Back Office saves us significant time, cost, and liability so that we can focus on running our business. Their team of HR and payroll experts care and are dedicated to our success."*

Barry Walter Jr., Barry E. Walter Sr. Company

#### **IMPROVED SERVICE AND CARE**

Our Colorado team of HR specialists are able to visit you on-site and assist with HR functions from new employee onboarding to terminations, from recruiting assistance to background/drug screens, from benefits meetings to employee trainings, and everything in between. This is real, in-person help – not a website!

#### **TAILOR-MADE SOLUTIONS**

CAMA Back Office provides solutions to meet your needs for the long haul. Our clients stay with us more than 11 years on average – compared to the industry average of 2.2 years.

#### **IMPROVE EFFICIENCY AND EMPLOYEE EXPERIENCE**

Get the best HR, benefits, and payroll software on the planet! You and your employees will have a user-friendly, easy, and positive experience.

*Contact the CAMA Back Office and receive a 10% discount on HR and Payroll services in addition to a potential savings of 20% on healthcare costs!*
