

Colorado Advanced Manufacturing Association

EQUIPMENT AND TOOLING DISCOUNTS

Every manufacturer knows that the right type of equipment can improve process effectiveness, multitasking machines can free up valuable shop space, and advanced technologies can create new product and customer opportunities.

However, acquiring new equipment can be challenging. CAMA wants to make it easier for its members.

We have negotiated substantial discounts from Colorado's premier distributors for manufacturing equipment and machine tools. Check out the opportunities below.

MMT/Moncktons Machine Tools is a Division of Productivity Inc and an active member of the Colorado Advanced Manufacturing Association. Committed to helping Colorado Manufacturer's advance, MMT/Moncktons Machine Tools will give a \$1,000 Red Line Tooling allowance* with the purchase of any new CNC machine from MMT. RedLine Tools is your source for high quality, high performance and general purpose cutting tools, toolholders for machining centers, live tools and tool blocks for lathes and metalworking lubricants. With over 25,000 products to choose from, you are assured to get the best products for your application. Our large inventory and high sales volume allow us to offer very competitive prices. RedLine Tools is a brand of MMT Productivity.

MMT/Moncktons Machine Tools factory-trained certified technicians and cutting-edge technology provide your business with a strategic partner to help you streamline your operations and get the most out of your manufacturing facility.

To take advantage of this offer, contact Tim Heaton at CAMA (Tim.Heaton@co-cama.org | 720-274-9776) or Mark Smith at MMT/Moncktons Machine Tools (msmith@mmtproductivity.com | 303-571-4933).

**Must be a CAMA member in good standing for three months. The customer must identify themselves as a CAMA Member at the time of purchase. All tooling must be ordered within 30 days of machine tool delivery. Some exclusions do apply.*

Since 1960, Hartwig has been a machine tool distributor known for superior service and support. Committed to helping the Colorado Manufacturing Community, Hartwig will provide a 1.5% discount to CAMA Members* on the final cost of any new Okuma or Tsugami machine purchased through Hartwig.

Hartwig, Inc. provides manufacturing solutions and support to the machine tool industry by partnering with their customers to optimize machining performance, decrease downtime, and improve the overall efficiency of equipment and applications. Hartwig demands excellence in our products, people, and processes. With this in mind, we have carefully chosen industry-leading brands that have both a reputation for greatness and the ability to provide a complete range of machining solutions for our customers.

To take advantage of this offer, contact Tim Heaton at CAMA (Tim.Heaton@co-cama.org | 720-274-9776) or Brian Toomey at Hartwig (Brian.Toomey@hartwiginc.com | 303-749-7428).

**Must be a CAMA member in good standing for 3 months. The customer must identify themselves as a CAMA Member at the time of purchase.*
