**CAMA**  
Colorado Advanced Manufacturing Association

# SATISFY YOUR APPETITE FOR GROWTH

Created by manufacturers, for manufacturers, CAMA understands that manufacturers, like you, are a special breed. Wildly diverse in shape and size, you dream with reckless abandon and engineer with precision.

**YOU DON'T JUST TALK ABOUT THE FUTURE, YOU MAKE IT!**

As a CAMA member, you'll enjoy an inviting offering of events, services, and programs – all tailored to meet the needs of your manufacturing company. Isn't it time for you to treat your company to the benefits of membership?

## CASH SAVING APPETIZERS

**ASSOCIATION HEALTH CARE:** This comforting selection will tame the bitter taste of rising health care costs. A refreshing way to keep your quality personnel satisfied.

**IN-HOUSE WORKFORCE TRAINING:** Exquisitely prepared classic workforce training programs. Delivered online, so you are in charge of your new and existing employee training.

**EQUIPMENT AND TOOLING DISCOUNTS:** Sizzling and fiery savings on the hottest equipment and tooling you need to keep you ahead of the pack. Generous discounts prepared by multiple suppliers.

**FASTENAL VENDING SOLUTIONS:** Locally sourced industrial supply in a free, customizable vending machine. You select the mixture. Heaped with just-in-time inventory and quick service.

**OFFICE SUPPLIES:** A must-have for all companies – find delicious savings on everything from pens to copying.

"CAMA Membership has provided us with 3 very tangible benefits:  
1) We have received additional customers via CAMA networking events.  
2) We have increased our supplier database through strong referrals.  
3) We have strengthened our ability to strategize as a company.  
Our annual CAMA Membership renewal is a no-brainer"

**Brian Pope**  
President, Colorado Waterjet Company

# PRODUCTIVITY SIDES

**CYBERSECURITY SHIELD:** Robust homestyle protection for your data, documents, hardware, and software. You won't lose sleep worrying about tasteless cyberattacks.

**TOP ADVANCERS ASSESSMENT:** A perfectly balanced benchmarking tool. After your first taste, you will want to come back to this trustworthy creation often for your continuous improvement journey. Punch up your results with a helping of vibrant expertise from vetted trusted advisors.

**POLICY AND ADVOCACY:** Satisfy your craving to be heard through this manufacturing based legislative policy offering. Paired with the State Chamber of Commerce, this dish unleashes the power of Colorado manufacturers.

**LINKEDIN FOR CAMA MANUFACTURERS:** This free range, manufacturers only platter provides a consistent and healthy option for best practice and B2B discussion.

**MAKING COLORADO:** Build your own full-bodied, online B2B page where your company can find and be found.

**MANUFACTURERS MARKETPLACE:** The same great recipe as Making Colorado but infused with spicy national opportunities provided by the National Association of Manufacturers.

# SIGNATURE EVENT ENTREES

A perfect blend of speed networking and invaluable industry intelligence. Pair with your business cards and elevator pitch, and you have rewarding business development and a thought provoking lunch.  
**NEXT EVENT:** Thursday, October 24th in Colorado Springs

A hearty mixture of 18 different greens make for a healthy day of business development in the sun. Combine with your favorite "tee" and use this opportunity of networking, contests, and prizes to reward customers and employees.  
**NEXT EVENT:** Friday, August 23rd in Castle Rock

An all-natural creation perfect for those on the go! This full day event combines the fresh features of networking and best practices with a sprinkle of fun to satisfy the largest of manufacturing appetites.  
**NEXT EVENT:** Thursday, June 13th in Colorado Springs

# CAMA

Colorado Advanced Manufacturing Association

## EXCLUSIVELY MANUFACTURING EXCLUSIVELY MEMBER-BASED

We are united by a passion for manufacturing and have come together as the first and only statewide trade association for manufacturers in Colorado. We know which ingredients are necessary for success and are ready to serve all types of manufacturing companies.

"Our membership in CAMA has been well worth the investment. The networking has been invaluable, and we have taken advantage of several educational opportunities. Through a referral from Tim Heaton, we earned a new customer, and this business relationship continues to grow. CAMA has done a great job in promoting manufacturing in Colorado, and Palmer DCS is proud to be a member."

**Lynn Weberg**

President, Palmer Drives Controls and Systems
